* Account must be current and in good standing and not have been past due in the last 12 months. Other loans may not be eligible if negative amortization will result. This waiver may not be used if you have taken advantage of a Skip-A-Payment during 2017. All members on the loan MUST sign this agreement. By signing, you understand the terms of this waiver. Skipped payments will extend the term of the loan one month and will increase the total finance charge of the original security agreement and may reduce any GAP claim on insured loans.
